## Parking Permits

Faculty, staff, and students who park vehicles on the Boston College and Newton campus between 1:30 A.M. and 3:30 P.M. weekdays are required to have a parking permit. Students and faculty arriving for classes after 3:30 P.M. may park on the lower or Newton campuses without purchasing parking permits. There is a new process in place for undergraduate commuters who want to obtain parking permits for the spring 2001 semester. Reference the Office of Student Services’ web site at <http://www.bc.edu/studentsservices> for further information.

**Parking Notice:** No resident student is eligible for an on-campus parking permit. Exceptions will be made for handicapped students and for resident students who require a car to fulfill courses required for graduation, e.g., nursing or teaching field placements. The selection is made by the school/college/department and is not available to all eligible students.

As of the fall 2001 semester, undergraduate students living off-campus within a one-mile radius of public transportation lines are not eligible for a campus parking permit. This policy includes all students living in the following cities or towns: Allston, Boston, Brighton, Brookline, and Chestnut Hill. Students seeking exceptions must file an appeal through the Office of Student Services and present evidence proving that they do not have access to public transportation.

# Registration Preparation

## Graduate Students

The spring 2001 on-line registration and drop/add period for graduate students, except GSSW students, will begin on November 10 and continue through January 22 at 11:00 P.M. GSSW registration will begin on November 13 at 7:00 P.M. and close on December 5 at 5:00 P.M. Graduate students in GSA&S, CGSOM, LGSOE, GSON, and GSSW who register before December 15, 2000, will have their registration fee waived. This waiver only applies to those students who complete their registration by December 15. Students who add courses after December 15 will be charged the \$15 registration fee.

Students registered for Doctoral Continuation in the fall will be registered for the spring unless they graduate in December or are enrolled in programs that require departmental permission. Those students whose departments require permission need to obtain a departmental override. Graduate students using Lynch School of Education teaching vouchers should see Patricia O’Kane in the Office(s) of Students and Outreach.

**Special Students** who have not applied to a degree program or who have applied but have not yet been accepted and wish to take graduate level courses must apply as special students to the appropriate graduate school. This policy also applies to students who wish to take graduate level courses using teaching vouchers and have not applied or been accepted into a graduate school at Boston College. Those who have previously taken courses using vouchers should contact the Admission Offices to be readmitted.

## Undergraduate Students

The spring 2001 registration and drop/add period for undergraduates will begin on November 13 and continue through 11:00 P.M. on January 22, 2001. CSOM students in the Class of 2001, 2002, and 2003 and Arts and Sciences students in the Class of 2001 should have received their registration materials in the mail during the week of October 16. All other undergraduates must pick up their Registration Information/Degree Audit forms from their advisors beginning October 30.

# Registration Procedures

Graduate and undergraduate students register and drop/add using either the *U-View Plus* system—available from any computer terminal or micro-computer with a network (EagleNet) connection or with a dialup (modem) connection to BC’s administrative mainframe computer—or the *U-Dial*/voice-response system. *U-Dial* can be accessed from a touch-tone telephone by dialing 617-552-8800. The registration systems will be available seven days a week (with exceptions) until 11:00 P.M. through January 22.

Undergraduates can register at or after their appointment times. Graduate students may register after November 10. All students may drop/add any time after they have registered. The appropriate department/Dean’s Office must approve drop/adds after January 22.

## Undergraduate Students

Undergraduates will need a (1) Personal Identification Number (PIN) and a (2) 4-digit registration access code. The registration access code is printed on the Registration Information/Degree Audit form. The access code is necessary in order to register; it ensures that students have met with their faculty advisors, if required for their school and class year.

The Registration Information/Degree Audit form also includes the registration appointment time and a complete Degree Audit. The Degree Audit is a computerized matching of the degree requirements for a student’s year, school, and major with the courses that have been completed. If the Degree Audit is not accurate, students should make an appointment to see their Recorder. The Recorder’s name, telephone number, and E-Mail address are listed on the Registration Information/Degree Audit form.

Undergraduates have been assigned a registration appointment time based on class year. Appointments are scheduled from 8:00 A.M. to 5:00 P.M. and should not conflict with course schedules. Since the appointment time is stored on the computer, undergraduates may not register before their appointment, although they may register any time thereafter.

# Registration Information

## Advising

Students can check their records on *U-View* for their advisor’s name. *U-View* machines are located in Lyons Hall, dining hall level, O’Neill Library, McGuinn lobby, Lower Campus Dining Hall or McElroy. CSOM students should reference <http://www.bc.edu/csomadvice.html> before registering for courses.

## Course Descriptions

Access the Office of Student Services’ Web site for course descriptions at the following address: <http://www.bc.edu/courses>. Use the Schedule of Courses on the Web to determine the index, section numbers, and the meeting time of each course. You may also browse courses on *U-View Plus* by using the “C” option, which will access both fall and spring semester courses, or search for courses by instructor name, by course title, and by open courses (not closed or canceled).

## Course Restrictions/Closed Courses

An asterisk (\*) next to a course indicates a restriction. The specific restriction is printed underneath the course. Courses may be restricted by school (e.g., For Education Only), by degree (e.g., For Doctoral Students Only), or by major (e.g., For Economics Majors Only). Other courses, or sections of courses, may be held by the department so that they are unavailable during certain periods of registration. Some courses (including all graduate

courses) may be available to undergraduates with department permission only. Note: If you are planning to change your major, be sure to check the **General Information** section for instructions.

### Overrides

In exceptional cases, a department may decide to override a course restriction. If you wish to obtain an override for a course that was closed or restricted when you registered, see the department offering the course. If the department chairperson or assistant decides to allow you to register for the course, he or she will give you an *Approval/Override* form or process the override in the department. The form must be stamped in the appropriate section: *Open/Restricted* overrides school, major, degree and department restrictions; *Override for a Closed Course* overrides all restrictions and size limits for closed courses. In rare cases you may need to obtain permission to override a corequisite or to register for two courses that conflict in time. In those cases the *Approval for Time Conflict* must be signed.

If you obtain an override for a restricted or closed course take the form to Lyons Hall after you have registered. You cannot process overrides through *U-Dial* or *U-View Plus*.

Students in A&S, CSOM, and SON, who maintain a 3.00 GPA, may add a sixth course on-line (up to 20 credits) during the first week of classes.

### Registration Holds

If you have an outstanding balance on your student account, are missing a transcript from a university you attended previously, or have failed to submit proof of immunization to the Health Services Office, a hold may be placed on your registration. If a registration hold message appears on the screen, you must see the appropriate office to resolve the situation before you can register.

### Immunization Requirement

Both graduate and undergraduate students registering at the credit levels listed below are required to comply with Massachusetts General Laws (the College Immunization Law):

College of Arts and Sciences	7 credits
Carroll School of Management	12 credits
College of Advancing Studies	12 credits
School of Nursing	9 credits
Lynch School of Education	9 credits
School of Social Work	18 credits
Law School	12 credits

The College Immunization Law requires proof of the following immunizations:

- 1 Tetanus-Diphtheria Booster within the past 10 years
- 2 Measles Immunizations (Dose 1 must be after the first birthday: Dose 2 must be at least one month after the 1st dose)
- 1 Mumps Immunization: Immunized with vaccine after the first birthday
- 1 Rubella Immunization: Immunized with vaccine after the first birthday

If proof of immunization for measles, mumps, and/or rubella is not available, a blood Titer showing immunity will be accepted. Failure to show proof of immunizations within 30 days from the start of classes will result in a block on your registration and an administrative fee of \$50.00 will be charged to your student account. The only exceptions permitted are conflicts with personal religious belief or documentation by a physician that immunizations should not be given due to pre-existing medical problems.

### Massachusetts Medical Insurance

Commonwealth of Massachusetts Law has mandated that all students, graduate and undergraduate, taking at least 75 percent of full-time credit hours must be covered by medical insurance providing a specified minimum coverage. Determination of whether or not a graduate student is required to enroll in the insurance program is based strictly on the actual number of credits for which the student is registered each semester.

Graduate students in the Schools of Social Work, Management, and Advancing Studies who register for 9 or more credits are considered 75 percent of full-time. Graduate students in the Schools of Arts and Sciences, Nursing and Education who register for 7 or more credits are considered 75 percent of full-time.

Please note: All doctoral students at Boston College will automatically be charged for the Boston College Medical Insurance unless a waiver is submitted showing comparable insurance.

Boston College will offer all students—graduate and undergraduate—the option of participating in the plan offered at the University or of submitting a waiver. The details of the University’s Insurance plan are available on the *U-View* system or on the World Wide Web at <http://agora.bc.edu>.

Students may waive the BC insurance plan by completing the electronic waiver form on *U-View* or on the World Wide Web. Students under the age of 18 are required to submit a written waiver form with the signature of their parent/guardian. This form is available for download on the Web at [www.bc.edu/studentsservices](http://www.bc.edu/studentsservices). The waiver must be completed and submitted by February 9, 2001, for spring semester. Students who do not complete a waiver by the due dates will be enrolled and billed for the BC plan.

All part-time bachelor and master’s students, including those registered for Master’s Interim Study, who wish to purchase health insurance must enroll directly with the insurance company. The part-time enrollment form is available at the Boston College Health Services department in Cushing Hall, at Walter W. Sussenguth and Associates, or on the Web at [www.bc.edu/studentsservices](http://www.bc.edu/studentsservices). The coverage becomes effective upon receipt of the application and payment by the insurer if received after the due dates above.

### Billing Information

Tuition and fees for undergraduates are due by December 15. Restrictions will be placed on any account not resolved by the due date. These restrictions include denied access to Housing and the Athletic Complex, use of the Meal Plan, the ability to drop and add courses, and to cash checks at the Cashier’s Office. In severe cases, students will be withdrawn from the University. In addition, a \$100 late payment fee will be assessed on any account that is not resolved by the due date. There will be absolutely no registration or confirmation of registration allowed after April 2, 2001. Scholarship holders are not exempt from payment of registration, acceptance fees, insurance, and miscellaneous fees at the time prescribed.

(EST) Please note: If a student is entitled to a refund due to withdrawal or overpayment and his/her account was paid by a credit card, a credit to that card will be made in lieu of a refund check.

Select “View/Edit Diploma Name” from your AGORA services menu. Your name will appear as it is listed on the University’s student system. You may keep your name as it is or enter new information. After February 15, Student Services will download the names of the May 2001 graduates for their diplomas and for the Commencement Book.

Mailing Address Update

Undergraduate and graduate students can change their local, home, or parents’ addresses and telephone numbers on-line at <http://agora.bc.edu>. Be sure to update your local address for next semester to insure that you receive important mailings concerning registration, graduation, grades, and housing. The Dean of Students needs your local address in case of emergencies.

Because of the increasing number of students who need to have grades sent to more than one address, a second address file for grades has been established. To have grades mailed to more than one address, please notify Student Services by mail or in person. The request must include your name, Eagle Number, school, second address, and signature. Your name and second address will be placed on file and grades mailed to both your home and second address each semester until you graduate.

### Loan Certification

If you register for Interim Study, Thesis Direction, Doctoral Continuation, Doctoral Comprehensives, a full-time Student Teaching Practica, or Internship, you are considered a full-time student. If you are a Graduate Assistant for an academic department, a Teaching Assistant, Teaching Fellow, Research Assistant, or University Fellow, you may be considered full-time with less than the normal full-time credit load. This full-time category applies only to loans and is not considered full-time status for automatic medical insurance enrollment. ## Special Programs

### The Program for the Study of Faith, Peace, and Justice

This program offers students the opportunity to examine and intensify their faith commitments and to explore the significance of these commitments for the task of bringing about just and peaceful solutions to national and international problems. The Program sponsors courses, campus events, and special activities for its participants.

A&S or CSOM students who meet the academic requirements of the Program may minor in Faith, Peace, and Justice Studies. Alternatively, students may choose to concentrate on faith, peace, and justice concerns within their major field. In either case the same pattern applies, (i.e., an introductory course, UN 160 The Challenge of Justice, four intermediate courses taken with the advice and consent of the Director, and finally, UN 590 the Senior Seminar Project).

Campus events include speakers, religious ceremonies, student-faculty conferences, and less formal exchanges on issues of faith, peace, and justice. Special activities for participants of the Program include retreats, service days, lectures, discussions, and socials.

For further information, please contact Prof. Matthew Mullane, Carney 417, 617-552-3886.

### PULSE Program

The PULSE Program provides students with the opportunity to explore questions of philosophy, theology, and other disciplines in courses which incorporate field work experience in one of Boston’s many social service organizations. Through the combination of academic reflection and community service, students are provided with a framework for understanding the intimate relationship between theory and practice.

Enrollment in the course **Person and Social Responsibility** is one of the options for fulfilling the Core requirement in Philosophy and Theology. In light of classic philosophical and theological texts, social science, fiction, and poetry, PULSE students address topics such as the relationship of self and society, the nature of community, the mystery of suffering and the practical difficulties of developing a just society, urbanism, homelessness, and alienation. PULSE students are challenged to investigate the insights offered by their readings in relation to their service work. Enrollment in the core level PULSE course is limited to freshmen, sophomores, and juniors. Spots in the course are very limited and are allocated on a first-come first-served basis.

For those students who want to continue their experience with the PULSE program or who were unable to enroll in the Core level class, several elective courses are offered. A Philosophy and English course entitled **Stories and**

**Service** looks at topics such as urbanism, homelessness, and alienation through texts by social scientists, novelists, philosophers, and poets. Other PULSE elective course titles are **Values in Social Service** and **Health Care and Boston: An Urban Analysis**.

All PULSE courses require a ten to twelve hour per week commitment to service. Carefully selected field placements in youth work, the correctional system, emergency shelters, AIDS and HIV services, legal and community advocacy, and literacy programs become the context in which students forge a critical and compassionate perspective both on society and on themselves.

### University Capstone Courses

Reserved for seniors and second-semester juniors only, the Capstone program is designed to cap off college by facing the questions of life after graduation. The Capstone Seminars (UN 500-525) directly address the hopes and anxieties that seniors face but seldom find treated in traditional courses. They relate the life and learning of the past four years to the life and learning ahead. The Capstone Seminars take seriously the struggle to integrate four crucial areas of life: work, relationships, free time, and the search for the purpose of existence.

Ask some inevitable questions now, not later. How did my education prepare me to live? With everything I want to do, what will I have to compromise? How can I balance my career and my family? Can I find work with a higher meaning than my income?

#### Special features of the course:

- Faculty from various departments
- Each section limited to 15-20
- Class meetings held in leisurely, informal settings
- Innovative teaching methods, such as keeping a journal, interdisciplinary reading, guest speakers from professional life
- Capstone Seminars satisfy major requirements in certain departments.

### To Register for a Capstone Seminar

You must be a senior or a second-semester junior to take the course. Different Capstone Seminars will be offered each semester. All Seminars are interdisciplinary: you may register for any one of the Seminars as a University (UN) course. If you find a particular Seminar closed, try to register under the cross-listed number (e.g., if UN 523 is closed, try to register for the class as TH 523, and vice versa). The Seminar can count as an elective for all students. For majors in English, Philosophy, and Theology, it can satisfy the major requirements if the student takes a seminar as cross-listed in the department of his/her major. Students are reminded that several Capstone seminars are cross-listed, both as University courses with a UN number and also as courses in the department of the professor offering the course. In case a course is closed be sure to check whether there is space under its cross-listed number.

Students must also understand the following rule:

**NB:** No student may take more than one Capstone seminar during his/her undergraduate years. Thus, you may not take two Capstone courses in one semester or in two different semesters. This is true whether the course is listed under a UN number or as course in a specific department. If a second Capstone course appears on your record, it will be removed. This could make you ineligible for graduation.

### HS 300.50 Study and Writing of History: The Great Famine (Spring: 3)

Prerequisite: Any two semesters of HS 001 through HS 094; history major status

In 1845 a fungus destroyed the potato crop in Ireland and changed the course of Irish history. Though estimates will never be exact, historians estimate that over the ten years between 1845-1855, the country lost approximately one-third of its population to death or emigration. This course will focus on the social, cultural, economic and political circumstances that in combination with the potato blight brought about this catastrophe. Topics including absentee landlordism, deindustrialization, agrarian violence, religious divisions, and emigration will be discussed. While drawing upon both primary and secondary source materials available to them at Boston College, students will be expected to research some aspect of Ireland’s Great Famine and present their findings to the class.

Margaret Preston

### HS 300.66 Study and Writing of History: Britain in the Era of Permissiveness (Spring: 3)

Prerequisite: Any two semesters of HS 001 through HS 093; history major status

During the 1960’s, the United Kingdom experienced a wave of liberalizing or so-called “permissive” legislation that deeply impacted British society, culture, politics and intellectual debate. This legislation included the decriminalization of suicide and male homosexuality, the abolition of the death penalty for murder, legalized abortions, a relaxation in the laws governing divorce, and a slackening of censorship. Needless to say, each change in the law had its champions and critics. After a brief survey of postwar Britain, students will be required to select one area of permissive legislation and write a paper that uses primary and secondary documentation to examine the arguments both for and against the change in the law they have chosen to research. Papers will be shared with, and discussed by, the entire class.

# Schedule of Courses—Spring Semester 2001

## Explanation of Course Numbers

The Boston College Course Number consists of seven characters. The first two characters (alphabetic prefix, e.g., “MA”) indicate the department or program offering the course; the last two characters indicate the section number. The middle three characters indicate the level of the course. When listing courses the entire seven-character symbol must be used as well as the four digit INDEX number which appears to the left of the course. For example: 9999 MA333.01.

<b>No student may take more than one Capstone seminar during his/her undergraduate years. Thus, you may not take two Capstone courses in one semester or two different semesters. This is true whether the course is listed under UN numbers, or as a course in a specific department. If a second Capstone course appears on your record, it will be removed. This could make you ineligible for graduation.</b>

## Final Exam Information

All courses have a scheduled exam time determined by the starting time of the course. This listing shows standard class meeting time exam assignments for undergraduate courses. In general, common exams are held at 4 pm. If a course does not fit exactly into a module, it assumes the module corresponding to the closest class meeting time. For example, a class meeting T TH 11 is assigned module 10 (T TH 10:30\*). In situations where the non-standard time falls **halfway** between two modules, use the module for the later time. For example, a class meeting M W F 9:30 is assigned module 03 (M W F 10).

All graduate courses meeting **once a week** and undergraduate courses that start at 4:00 pm or later and meet **once a week** will have final exams on the first regular class day that occurs during the exam week. All graduate courses meeting **more than once a week** and undergraduate courses that start at 4:00 pm or later and meet **more than once a week** will have final exams on the class day that is earliest in the calendar week. For example, the final exam for a T TH 4pm class would be held Tuesday at 4pm. Exams will be held at the usual class meeting time and location unless otherwise posted on the exam schedule.

The meeting place for each exam will be posted in Lyons basement one week prior to the exam period. Exam information is also available on *U-View*.

**If there is a storm during the examination period, there is the expectation that exams will be held as scheduled. In the very rare instance that the exam schedule is delayed or postponed due to inclement weather or other emergency situations, the first available of the following days will be used: The Sunday during the exam week, the afternoon of the last exam day, and the day after the last exam day.** If rescheduling is necessary, announcements will be made on WBZ, WRKO, and WBMX, and on the Boston College INFO line (552-4636). **For graduate and professional students, announcements concerning final exams will be made on the same radio stations and on 552-INFO. Students are responsible for attending final exams at the scheduled times. In addition, students should consider possible exam rescheduling when making travel plans at the end of the semester.**

Students are expected to take no more than two final exams in any one day. If a student has three exams scheduled in one day and one of these is a common exam, it is the responsibility of the instructor holding the common exam to give a make-up exam. If a student has three regularly scheduled exams (this can happen if the student is taking a course that meets at 4:00 pm or later), the instructor teaching the course outside of the standard time blocks (8 am-3 pm) should provide a make-up exam. In addition, if a student has a conflict between a common exam and a regularly scheduled late afternoon or evening course exam, the responsibility for a make-up lies with the instructor offering the common exam.

# U-View via Modem

## Modem Setup

- In your communications package, set your modem speed to the speed rated for your modem. The other settings remain the same: 8 bits, no parity, hardware handshake or flow control. Error correction should be turned off.

## Logging On

- Use your communications software (Mac Terminal, ZTerm, Reflection, ProComm, YTerm, e.g.) to dial the modem pool number appropriate for your modem: 552 3020 for 2400 bps or LESS, 552 0999 for 4800 or GREATER. Long Distance dial: 1 617 552 3020 (or 1 617 552 0999). Use SPACES to separate the numbers!
- You should see CONNECT 2400/REL (speed varies by modem). You **MAY** have to press <RETURN> several times to establish a connection. Then you will see **Servename for Quest/U-View is BCVMCMS**.
- Press the <ENTER>or <RETURN> once or twice and you will see Enter Username>. Enter your BC username and press <RETURN>.
- You will see the prompt **Type “C” Servename>**. For *U-View* or Quest, type c then a space then BCVMCMS. **NOTE:** Typing 6100 and 8400 **will NOT** work.
- Press <RETURN>. On the blank line under **Please enter a terminal id;** prompt, type 1 for VT100, unless you know that your machine is otherwise.
- The BC screen will appear. Type your username on the **Enter your Username, Eagle Number...**: prompt and press <RETURN>. (You can use any of the listed options.)
- Tab once and type your PIN (Personal Identification Number) on the **Enter Your PIN Number:** prompt and press <RETURN>.
- You are now at the APPLICATION MENU screen of UIS. Select the application you wish to use (e.g., UIS, QUEST) and type its corresponding number on the **SELECTION=>** prompt and press <RETURN>. (For *U-View*, type **1** for the UIS system.)
- You are now at the System menu for UIS. Your options will vary. Type the number for *U-View* (or other service) on the **ENTER SELECTION** line and press <RETURN>.

## Logging Off

- If you are using UIS mail, return to its main menu. Type **L** on the **ENTER YOUR CHOICE** line and press <RETURN>. If you are using *U-Buy*, return to its main menu. Type **L** on the **TYPE SELECTION HERE...** line and press <RETURN>. If you are using *U-View*, return to its main menu. Type **L** on the **TYPE SELECTION HERE...** line and press <RETURN>.
- The APPLICATION MENU screen will appear. Type **L** on the **SELECTION=>** line and press <RETURN>.
- You are now at the BC screen. Type Y on the Enter “Y” to disconnect: prompt and press <RETURN>.
- At the **Type “C” Servename>** prompt, type log to disconnect. “C” option on *U-View Plus* (View Courses) can now access both fall and spring courses.

## U-View Plus

Instructions are posted in the Student Learning and Support Center and in O’Neill 248.

## U-Dial

- Call the Boston College Voice Response Unit: 617-552-8800 If you are calling outside the 617 area code, be sure to dial 1 + 617 before 552-8800.
- Enter your **Eagle Number** or your **social security number** upon request.
- Enter your 5-digit **personal information number (PIN)**.
- Once you have accessed the voice response unit, the tape will list the main menu of transactions. (Review the selections below to be sure you understand the differences between transactions.) The system will then request that you choose a transaction by pressing one of the following:

**TO ADD A COURSE:** If you wish to **add** a course, press **1** when prompted to do so. Then follow the instructions at each prompt until the add transaction is completed.

**TO DROP A COURSE:** If you wish to **drop** a course, press **2** when prompted to do so. Then follow the instructions at each prompt until the drop transaction is completed.

**TO ADD AND DROP A COURSE:** If you wish to **drop** one course and then **add** one course, press **3** when prompted to do so and follow the instructions at each prompt until the drop/add transaction is completed. This transaction will *not* complete the drop *unless* you successfully add one course in its place; therefore, you shouldn’t worry when the drop transaction appears not to have gone through. This transaction should be used if you are changing the corequisite for a course (a lab or a discussion group).

**TO CHECK THE STATUS OF A COURSE:** If you wish to check quickly to see if a particular course is **open**, press **4** when prompted to do so. Then follow the instructions to check the status of the course.

**TO LIST COURSES:** Press **5** to hear the courses you are currently registered for or to confirm your transaction(s).

**TO END CALL:** Press **9** to disconnect from the Voice Response Unit. Be sure to listen carefully to instructions as you proceed with any transaction. **If you make a mistake at any time, press \* to start over.**

Once you are familiar with the system, you can bypass the recorded message by entering the information requested at the beginning of the prompt.

## Problems/Error Messages

You may encounter a problem or receive an error message while using the voice response unit.The most probable messages/problems and solutions are listed as follows.

## Problem/MessageProbable Solution

- |  |  |
|--|--|
| 1. Can’t access system   | Use a touch-tone phone not a rotary phone, or try from another phone. Your phone may be malfunctioning.  |
| 2. System not available  | You are calling outside the hours 8:00 A.M. to 11:00 P.M. seven days a week. Please call during <i>U-Dial</i> hours. OR the system is experiencing unscheduled downtime. Please call back in 15 minutes.                             |
| 3. Busy Signal   | The system’s incoming telephone lines are all in use. Try again later.   |
| 4. System does not answer  | The Voice Response Unit is not functioning. Try again later.   |
| 5. Wrong ID  | Check to make sure that you are inputting your Eagle or social security number correctly.  |
| 6. Wrong PIN   | Check to make sure that you are inputting your PIN correctly.  |
| 7. Wrong index numbers   | Check to make sure that you are inputting the correct 4-digit index number, not the course number (e.g., 9999 rather than EN999.09). Refer to the <i>Schedule of Courses</i> for index numbers.                                      |
| 8. Time Conflict message   | Check the <i>Schedule of Courses</i> or the Course Status List available on <i>U-View Plus</i> . If there is still a problem, there may have been a time change. What is on the computer is correct since it is the most up-to-date. |
| 9. The course you want is <ul style="list-style-type: none"><li>• a sixth course</li></ul> | Students in A&S, CSOM, and SON who maintain a 3.00 GPA, may add a sixth course on-line (up to 20 credits) during the first week of classes.  |
| <ul style="list-style-type: none"><li>• restricted to a major or school</li></ul>          | You must get the appropriate departmental approval to be allowed to override these restrictions.   |
| <ul style="list-style-type: none"><li>• closed or requires department permission</li></ul> | For all these restrictions, see the department. If they issue an override, obtain the necessary stamp(s) and/or signature(s) and bring the approved form to <b>Lyons 101 by 4:30 P.M. on January 22.</b>                             |

If the above does not resolve your problem, or if you have a difficult problem, call 617-552-3300 during business hours, Monday-Friday 8:45 A.M. to 4:45 P.M.

# Connecting To UIS via an Eaglenet Connection

## TN3270 on the IBM

TN3270 is a software tool that allows your networked IBM to establish ‘terminal sessions’ with IBM mainframe computers such as the Boston College UIS System or the QUEST system in order to access *U-View* or Quest.

### Starting TN3270

**Double-click** on the TN3270 icon. It is located in the **PC/TCP Applications** window located in your Program Manager.

### Logging on to UIS

- Once you have double-clicked on the TN3270 icon, you will see the **Open** dialog. If this is your first time using this program, the **Sessions Available:** box will be blank.
- NOTE: The programs TNVT and TN3270 use the same dialogs, so if you save a session in TNVT and then open TN3270, you will see it in the Sessions Available box as well.**

- Type your Personal Identification Number at the PIN: prompt and press <RETURN/ENTER>.

If you have forgotten your PIN, you must go to the HELP Center, Gasson 12, or the O’Neill Computing Facility **in person** and present your valid Boston College ID. An authorized person will then look it up.
